SOS Projects

January - Sign cards at the meeting
for our military men & women

February – Cy Fair Helping Hands

We are excited to introduce some new, fabulous Boutique item ideas at the January meeting. Join us to see what is planned and be a part of the fun!

March General Meeting – Speakers needed

Aggie Student Groups are invited to speak (10 min each)

Does your Aggie belong to an on-campus group? Invite them to tell our club all about their organization.

In April each paid club member votes for student orgs to receive funding. Helping us learn about these groups is a great way to increase knowledge and potentially get more votes for funding.

See Kathy, our Programs Chairperson to find out more.

Do you know a family who has been accepted for spring or fall of '19? Bring them to our spring meetings! We would love to welcome them to the Aggie family

Crafty days are coming...

Several of our Boutique items will need to have that special Aggie touch added to them. Various skill levels needed (even those of us who don't consider ourselves crafty). It's a chance to visit, have a little fun and contribute to the club.

Lots to get ready for the boutiques at Aggie Mom Camp and Family weekend.

Watch Facebook for the dates in late January and early February.

Check out the Social Calendar on our website!
