From your 2018-2019 President,

Thank you for this year. To say it has been an honor and privilege to serve as your club president would be an understatement. Last year at this time I felt overwhelmed and underqualified. But you have supported me, laughed with me, given hugs (or stern looks) when needed. You stepped up, stood beside, suggested and surrounded our Board and our Aggies with the strength of Aggie Moms. And you never discriminated against my burnt orange background! I am proof that the spirit of Aggieland can enter your heart at any stage of life and I am proud to be an Aggie and a member of this group of amazing people.

Please offer this same support to the incoming Board and Committee members. There are so many wonderful things ahead this next year. Take advantage of the opportunities to get to know the other people in the club – whether at a social event, a general meeting, a service event, care package delivery day, crafty day...the list goes on and on. Bring a friend, make a friend. This is YOUR club. We are here for you and for each other – from Fish Camp to Finals.

Gig 'em and God Bless each of you!

Kiersten
